

2025 Annual Sponsor Prospectus

About OAWWA

The Ohio Section of the American Water Works Association (OAWWA) is dedicated to promoting public health, safety, and welfare through the quality and quantity of water delivered to the public. We are committed to providing effective water management solutions in Ohio through a range of professional development opportunities, including educational conferences, workshops, scholarships, local news, information, and networking opportunities with other Ohio water professionals. Our membership includes water utility employees, municipal officials, public health professionals, engineers, scientists, educators, consultants, and many other professionals in the drinking water industry.
